Summary

A creative and experienced web designer with over 22 years of experience in the industry.

I am a passionate Frontend Developer specialized in HTML, CSS, and JavaScript, with a solid experience in WordPress and Shopify.

Dedicated to keeping up-to-date with the latest web design trends and techniques.

I have developed responsive and engaging user interfaces for clients in various industries.

I collaborated closely with the design and backend teams to ensure seamless integration.

As a professional with hearing impairment, I want to highlight that my ability to communicate in English, both in writing and reading, is fluent. Although I face challenges in online conversations, I have the support of my partner to ensure effective collaboration."
